

HARDWOOD INDUSTRIES, INC.

Please read before completing Hardwood Industries, Inc.'s Application for Employment

Complete all areas of the application directly on the application and do not indicate, "see resume." Hardwood Industries, Inc. verifies all information contained on the application and resume prior to hiring its' employees.

If there are discrepancies in the information you provided, any job offer will be rescinded. For this reason, it is important to provide us with correct and accurate information.

If you have questions about completing the application, please ask the Hardwood Industries representative who has been assisting you.

Note: If you are applying for a driving position, you must complete the "Driver Application Supplement." Please ask for a copy if it is not attached to the application.

Thank you for your cooperation.

My signature below indicates that I have read and understand the importance of supplying accurate information on my application. I am aware of the possibility that any job offer will be rescinded if information supplied by me is found to be intentionally incorrect or inaccurate.
